C.E.O./Producer
MVP Insurance Agency
1635 Shaw Avenue
Clovis, CA 93611

Steve spent his first 25 years growing up in Wisconsin. Building on an unwavering work ethic and after graduating with a Business Finance, Accounting and Psychology degree from the University of Wisconsin, he left the family banking business, loaded up his car and moved to California and has spent the other half of his life trying to make a difference on numerous levels.

Steve trained for 5 years at the State Compensation Insurance Fund and then took his workers compensation expertise and partnered up with two insurance agencies in September of 1996, in addition to forming the initial division of Mahlum Insurance Services. He formed his own agency in 2001 with the corporate name of Mahlum Insurance Services, Inc. and DBA: MVP Premier Insurance Agency with offices in Visalia and Selma. In 2005, he opened an additional office in Clovis.

Since 2005, MVP has grown from an agency of 5 to now over 40 personnel and 7 locations. Steve attributes MVP's success to always doing things the right way. That and the fact we have most every product available for Insurance and Insurance related services. We believe at MVP, we are the "go to" Agency and will eventually be the leader in California within the Insurance Agency arena.

Steve believes that his experiences and training has helped make him an entrepreneur and an innovator with a vision that will take MVP to levels that has not been seen in the insurance industry. In addition to being the leader of MVP and all that entails, Steve manages an extensive book of business with his long term clients/friends. He also helps manages four children who are in the Clovis School system and carry a vast array of extra-curricular activities along with their studies...thus the need to get up every morning at 3:30 am.

Please contact Steve with any questions, or to arrange a time to meet with him!
