

Professional Choice

Insurance Services

Are you interested in marketing your business to thousands of online consumers every month? **FOR FREE?**

Professional Choice Insurance has created a new way for our commercial clients to network online and increase traffic to their businesses.

What is it?

An opportunity for you to market your business to the thousands of consumers who visit our Virtual Insurance Office every month.

How does it work?

As a client of our agency, you will have your own web page as part of our highly promoted Virtual Insurance Office. All we need from you is a copy of your business logo, contact information, your web address & a special offer. We will provide you a link to the page to let you know it's LIVE.

What will it do for you?

- * Improve your results with major search engines like **Google, MSN and Yahoo**
- * Increase your exposure to the thousands of **LOCAL CONSUMERS** who visit our virtual agency **EVERY MONTH**
- * Increase your branding and marketing on the **major social networks**
- * Create more potential **sales opportunities** for your business

What's in it for us?

That's the best part. It's a win – win. We get the exact same thing. PLUS, Professional Choice Insurance can offer our clients the ability to save on goods and services from the top businesses in the area.

What you get as a Partner of Professional Choice Insurance

A page/link on the Professional Choice Insurance Partners page

- Exclusive profile with your logo, contact information, and a link to your website, as well as links to all your social media websites.
- Promotes and increases the visibility and traffic.

Become a Preferred Partner

- Have our organization refer our clients to you.
- You have to be a partner to get a referral from our company.
- We will be a marketing arm for your company.

Promote your business on Facebook & Twitter

- We will tell all our "Fans" and "Followers" about your business.
- We will link to your own Facebook page or website.
- All our "followers" will know in real time about a discount you are offering, or a service you provide.

Promote your business through our onsite blog

- We will mention your business in various blog posts that pertain to your industry.
- Within these blog posts we will link back to your company website, creating more traffic for your company.

Increase your exposure on Google, Bing and other Search Engines

- When we add you as a PCI Partner, this will increase your rating on search engines, because of "back-linking."
- The more websites that promote your website the more the search engines "see you."
- We will provide a positive review for your company on Google Local and/or Yelp.
